Hi Lyndsey,

I attached the Navy's SAP with your yellow highlights and I added some red comments up to p. 58. My comments are minor thanks

Rich

Subject: DOH comments on Navy's SAP?

Hi Roxanne,

I'm hoping you all will be able to have DOH comments on the SAP that was produced by the Navy before the end of the week. Once we get to Hawaii next week I doubt we'll be getting anything done other than our set meetings, so my preference is to get this done before it gets pushed back another week or two... It's pretty straightforward and I remember that Randy may have already taken a quick look?

I've attached my marked up version with our two minor comments for reference.

Thanks
